

In lieu of PTA's kitchen tour, PTA selling book for school

Spring Lake Kitchen
Tour Book shows best
of town's kitchens

SPRING LAKE — While the H.W. Mountz PTA was forced to cancel its annual kitchen tour this year, it is producing a kitchen tour book commemorating the tour's 20th anniversary, on sale now to support the school.

Instead of throwing in the towel and waiting until next year to host the tour that regularly attracts more than 1,000 people again [which it plans to do], the PTA deter-

mined that it could keep the tradition of the kitchen tour alive with a keepsake book.

"After rethinking our tour in a year when the 'kitchen is closed,' and in an attempt to continue our charitable efforts that benefit the teachers and students at Spring Lake's H.W. Mountz Elementary School, we are producing a high-quality, limited edition coffee table book to celebrate the 20th anniversary of the Kitchen Tour," John Marzullo H.W. Mountz PTA Vice President said in an email.

"The perfect bound, soft-cover book will be filled with beautiful images of never-before-seen kitchens in some of Spring Lake's most private homes, artfully

captured by acclaimed local photographer Michael Scotto. The book will also include highlights from some of the most beloved kitchens of past tours and offer special recipes from our area's many fabulous restaurants."

The Limited Edition Spring Lake Kitchen Tour 20th Anniversary Coffee Table Book is on sale now at springlakekitchentour.com for \$75. Funds raised from purchases will support the teachers and students of H.W. Mountz in lieu of funds typically raised by the tour.

Pre-order now for delivery on Nov. 14. H.W. Mountz PTA is a 501(c)(3) non-profit organization that greatly appreciates the generous support of the community.
